8) The Tumkur Dist Board will have to be Consulted re the proposal at para 6 of the notes, that a moiety of the estimated Cost of Rs 2000/- viz Rs 1000/- for the formation of the road in question may be met out of the share of the Dist Board, Tumkur from the Govt Contribution of Rs 50,000/- provided in the State Budget for the maintenance of Dist Fund Roads in the State. It is hardly likely that the Dist Board may agree to such a proposal in view of the meagre share of the Contribution that they might get, in which case it may not be possible to undertake the work

9) It is therefore submitted for Consideration if a grant of Rs 1000/- may not be sanctioned from out of the 1/7 grant for the Current year the other half being met out of the funds of the Zunnekere minor Irrig Tank

10) It will be seen from the sketch in the file that the proposed approach road runs within the municipal limits

and as such, the expenditure on this behalf will have to be met from out of the municipal funds only.

11) The estimate is for Rs 2000/- The Turuvekere town municipal council have agreed to meet a moiety of the above estimate. It is therefore for consideration, if, as recommended by the DC, the other half of the cost viz Rs 1000/- may not be given as a grant to this town fund from out of the 2nd improvement grants during the current year. Re Formation of a road from Gangadhareswara temple to connect Tiptur - Yediyur road

---

In forwarding herewith in original, the entire file of records received from the President, Minor Municipal Council, Huruvekere on the above subject, I have the honor to state as follows

The President states that repeated requests are being made for a Town Improvement grant of Rs 1,000/- from the year 1938-1939, but no grants have been sanctioned by Government so far in this behalf It is seen from the resolution of the Council dated 7-4-1942 that they have resolved to meet one half of the cost of the estimate out of the investments held in S B and the other half from Government grants (to be applied for) as suggested by the Minister of L S G and Public Health during his visit to this town in November last

In the circumstances stated above, I request that sanction of Government may be kindly obtained for a Government grant equal to half the cost of the estimate (and for the other half being met out of investments) during the year 1942-43

I have the honor to be,
sir,
Your most obedient servant,

Deputy Commissioner,
Tumkur District
